Puffy Paint

🕐 10 minutes

INGREDIENTS

1/2 cup of shaving cream
1/4 cup of white school glue
Food colouring of your choice

DIRECTIONS

1. First put the shaving cream into a bowl.
2. Add the glue and gently fold the two ingredients together. Keeping as much of the air in the shaving cream as possible.
3. Once you have mixed the two together, you can add the food colouring by carefully folding it in.
4. Its ready to use.
5. Keep in mind that as the paint dries, it gets darker.
